

FCMC MORTGAGE CORP.

PRESENTS OUR

Accountant Origination Program

Add profit to your bottom line.

TRUSTED ADVISOR

Your clients are busy people. They want you to be the center of their financial world, their trusted advisor. That's why they look to you for so much more than tax preparation.

VALUE ADDED SERVICES

Value added financial services will help increase your client retention rate. Not only do you increase your client retention rate, you attract new clients by providing services to fulfill all of their financial needs.

MORTGAGE LOAN ORIGATION

Incorporating the right financial services into your practice brings additional value to your client relationships, leading to more services, increased revenue per client and a higher degree of client retention. Mortgage origination is a great way to reap rewards from services you already provide to your clients.

FCMC MORTGAGE CORP

FCMC Mortgage Corp. works with a variety of lenders to get your clients the best interest rates available. We offer traditional loans as well as interest only and option arms. FCMC will always attempt to find your client the best available interest rates, based on their financial situation and loan circumstances, with the best lender for them. FCMC Mortgage Corp. will exceed your expectations.

YOU LOOK GOOD AND WE MAKE IT EASY!

When you originate mortgages for your clients, our staff becomes your staff. Simply forward the loan application and requisite documentation to our offices. Our staff of experienced loan processors will guide your client through the remainder of the mortgage loan process. We research lenders and rates and keep you informed every step of the way. You receive compensation upon the closing of the mortgage loan.

THE BOTTOM LINE

The average small accounting firm can add \$50,000 in profits.

- Increased client retention rate
- Additional revenue
- Value-added service for your existing clients
- No additional classes or exams
- No additional staff or overhead
